Feedback on Curriculum

Action Taken Report

(2022-23)

Feedback committee submitted the following important suggestions came from all stakeholders to Principal and IQAC for further discussion and implementation and to take proper action.

- 1) To start local need based short term skill-based certificate courses.
- 2) According to industrial needs provide hands-on training to the students.
- 3) To increase number of copies of books for book-banking.
- 4) To increase use of ICT tools in teaching-learning process.
- 5) To conduct more tests for students improvement.
